CalFresh information request practice scenario

In this fictional scenario, a household reported a change in earned income and housing costs. The practice request lists two items to help review that change. These are examples, not documents required from everyone receiving CalFresh.

Submit the requested items by October 24, 2026.

[X] Pay stubs for August and September 2026
[X] Proof of rent, such as a rental agreement or rent receipt
[ ] Other documents not requested in this sample

For rent verification, review the housing cost you reported. If you do not have one of the requested items, contact the county to ask what it can accept and whether it can help you get the information. Review the request before sending personal documents. Use the county's official submission channel and keep any confirmation.

All requests and dates above belong only to this fictional practice scenario. No name or case number is included.
